

CABOCHON

FRANCIACORTA

Follow the star and make a wish.

Cabochon constellation was born from a wish: the search, started in 1985, for a more attentive selection of cru from Monte Rossa hill, and for a new wine-making system, which introduced oak barrels for the first fermentation of the must. Cabochon is the peak of an emotional and honest path, a desire which, combined with determination, has become a shiny starry sky.
